Application No.

Continuation of 11. does NOT place the application in condition for allowance because: of the reasons disclosed in the previously fied Office Actions. The titanium acetylacetonate disclosed in the Phillips et al patent is an example of a bidentate ligend. Accordingly, the rejection of Claims 1-7 under 35 U.S.C. 103 as being unpatentable over the Phillips et al patent is maintained for the reasons of record.
